

## Forever

[DRAGON AND KNIGHTS:]

Another day inside my keep  
I get no rest, I get no sleep  
'Cause when I start to count my sheep  
You come around

I draw my shades and lock my doors  
But still you come for what ain't yours  
Like a hound dog on all fours  
You sniff around and around and around

You're gonna stay  
You're gonna stay  
You're gonna stay-ay-ay

Forever!

Forever!

Another night another name  
But all in all you're all the same  
For the smoke you want that flame  
That you fly around

Desire calls you from her beach  
That pretty girl, that perfect peach  
She's always out of reach  
But I am around and around and around

You're gonna stay  
You're gonna stay  
You're gonna stay-ay-ay

Forever!

Forever!

Forever!

Forever!

You think I like this job?  
I am glorified babysitter  
No one wants to rescue me  
So, yeah, I'm a little bitter

I'm no princess, no great beauty  
No one ever, ever, ever, ever wants me

Rescue me, come on baby  
And rescue me

Oh round and around  
And around and around  
And around and around  
And around and around  
and a-
