Tom-toms

- This solo should be played by one percussionist. Set-up the instruments as shown in the diagram at the top of the page. Adjust the exact position of each instrument and the music stand so that the set-up is comfortable for you.
- Use medium weight S.D. sticks when playing this solo.
- To play the Tamb. with sticks, place it head side down on a soft, flat surface and strike it lightly on the rim.
- If Tom-toms are not available, use two snare drums with snares off, one tuned higher than the other.
